of Morphia has since been
taken 3 or 4 times

Miss Lynde has found it beneficial
for the present from Icteria -
Dr. Turnbull has written a Pamphlet
upon it, & induced Miss D. to try,
& the effect has been extraordinary
& it is much used for the Tic Douleur.

Good Day

I am writing to you
because I want to tell you
about the things I have
seen and done since I
last wrote to you.

I have been very busy
with my work and my
family, but I have found
time to write to you.

I have been thinking
about you a great deal
and wondering how you
are getting on. I hope
you are well and happy.

See Markings.

The yolk of a new laid egg,
beat up with three large Spoonfuls
of Rose water, mix them well &
half a pint of new milk, shooten
it with syrup of Capillaire, grate
into it a little Nutmeg, and take
this every morning fasting, for a
month - Take it off for a short
time, and if it has been of use,
take it another month.

Miss Warden

For Inflammation on the Chest
or Wind-pipe.

Take six, or eight Laurel leaves,
boil them a quarter of an hour in a
 ^{pint of} water, and then rub the vapour
through a funnel placed over a
Jar.

For a Jomentation, for an infla-
mation of the Lungs, Mix Laurel
leaves may be added to the same
quantity of water.

Bark of Lemon, (for Lemonade &c.)

Brooke Street

Colborn,

London."

2 grains of calomet, 10 grains of rhubarb, 20 drops
of laudanum with 2 oz of water.

If the complaint continues after this, take
 $\frac{1}{4}$ of an oz of prepared chalk, 30 drops of laudanum,
2 table spoonful of brandy, 8 oz of water, take
two table spoonful every 3 hours.

For liver complaint

2 oz of dandelion roots freshly dug up, &
well washed, but not scraped & 2 oz of liquorice
roots, boiled together in a pint of water till it
simmers down to a pint, begin with a wine glassful
a day, & get on to 2. It ought to be persevered in for
months, as it is only an alterative.
